## AT THE DIXIE THEATRE TONIGHT

The beautiful streets of Paris, the gorgeous shops, the elaborate hotels, the rushing cabs, the well dressed crowds—in fact, every feature that may be easily recognized by the millions of American boys who have recently returned from France may be seen in "The Devil's Pass Key," the story of Parisian life transferred to the screen by Erich von Stroheim, director of "Blind Husbands." His newest production is to be shown tonight and tomorrow night at the Dixie Theatre. Prices 25 and 35 cents.

MISS NELLIE COLLINS.

"I have been thankful a thousand times that I took Tanlac when I did. It is simply wonderful the way it has benefited me," said Miss Nellie Collins, 1330 Connecticut Ave., Bridgeport, Conn.

"About eighteen months ago my appetite began to fail and I seemed to be going into a decline. Nothing agreed with me and my nerves were keyed up to such a high pitch I was actually afraid they would snap in two.

"But Tanlac has brought about a wonderful change in my condition. My appetite is almost ravenous, my digestion is perfect and I feel as well and strong as I ever did in my life. I never dreamed there was as grand a medicine as Tanlac in the world."

NOT—The International Proprietaries Co., distributors of Tanlac, have on file in their offices at Atlanta, Ga., over fifty thousand signed statements from representative men and women from every State in the Union and every Province in Canada. Many of these are from prominent people in this city and section and have been previously published in this paper.

Tanlac is sold in Scotland Neck by E. T. Whitehead Co., and by leading druggists everywhere.

## TOWN COMMISSIONERS AND SCHOOL BOARD TO MEET TONIGHT WITH PARENT-TEACHER ASSOCIATION

The Town Commissioners and the School Board will hold a joint meeting tonight with the Parent-Teacher Association for the purpose of thoroughly considering suggested improvements to the School grounds. The Parent-Teacher Association is deeply interested in these proposed improvements, and have made the proposition to the town that if they will build the drive way as suggested with necessary drains and curbing they will stand the expense of planting grass, shrubbery and otherwise improving and beautifying the grounds, which they estimate will cost them around five hundred dollars.
